UNION BANK OF FINLAND-NEW YORK BRANCH (Now Nordea Bank) 1985 to 1995
Member of Management Committee

Senior Vice President and Chief Credit Officer of New York Branch (1993 to 1995) □

My signature required for all extensions of credit at the Branch.

Senior Vice President and Head of Corporate Banking Department (1985 to 1993)

- Created Corporate Banking Department with emphasis on Scandinavian loans, project and trade finance and leveraged loans. Built a portfolio of \$1.5 billion with a staff of 16. Department was substantially profitable accounting for practically all of the New York Branch's profits for most of my tenure. Participated in over 100 high yield and DIP credits. Department had a clean portfolio- practically no loan losses in leveraged loan activity.
- Concentrated on Finnish business and other Scandinavian business, syndicated loans, trade finance and project finance business (including energy, real estate, and forest products).
- Successfully organized the entire Bank's first efforts in the high yield bond market at the direction of the head office in Finland.

Vice President, Head of International Dept. and New York Branch Manager

- As Bank's New York City Branch Manager, was in charge of 80 people in New York including the International Department, U.S. Corporate Banking Group, Credit and Operations.
- As head of International Dept., responsible for customer relationships and loans in U.S., Europe, Latin America, Middle East & Africa, and Asia. Also reporting to me was the International Group in Buffalo which serviced the international needs of domestic customers in Western New York.
- Wrote the bank's International Strategic Plan.
- An important element of the International Dept. was "dollar clearing" for European companies and banks. This provided the bank with a steady source of demand deposits.
- Before becoming the Head of International and New York Branch Manager in 1978, I was responsible for closing of the Paris Branch of M&T Bank. Spent considerable time in the Paris office and dealt with credit issues and employee issues including considerable time with bank's external French counsel. Conducted business primarily in French. Provided for the orderly transfer of the bank's offshore business to a new Nassau (Bahamas) branch.
- Prior to 1978, I was responsible for all Asian (including numerous Japanese banks in New York), Middle East and African relationships and credit extensions. I assisted the branch manager in formulating policies and procedures regarding credit analysis of foreign banks and companies as well as country risk analysis. International Department credit proposals
